General information

- Application under Priority 1 “Environmentally-friendly cross-border region is entirely in electronic form and project proposals must be submitted via the INTERREG VI-A IPA Bulgaria- Türkiye Programme Joint Electronic Monitoring System (JEMS) at) <https://jems-bgtr.mrrb.bg>;
- The Application Form is completed and submitted on JEMS;
- The content of the templates provided by the Programme and, where applicable, generated via JEMS may not be modified or amended in any way;
- Character limits are set for most text boxes in JEMS. Such limits shall not be exceeded since the system will not allow longer texts;
- Electronic submission of project proposal may be affected by circumstances beyond the control of the MA (e.g. internet connection stability, upload speeds, etc.). Therefore, the applicant should strive to prepare and submit project proposal early enough before the deadline;
- Upon registration in JEMS users have access to the system as applicant users;
- Detail information for filling in the Application form is included in **Attachment 4 “Application Form” to the Guidelines for Applicants.**

Infrastructure and works

+ Add

For cost categories “office and administration” and “travel and accommodation” no manual entry of budget items is possible, since they are defined as flat rates. For all other categories, click on the + Add button to add a new cost item. For each cost category item, the following details have to be provided:

- Description of the expense
- Comments
- Award procedure
- Unit type (e.g. per contract, per item, per day, per participant, etc.)
- Number of units
- Price per unit

Part B – Project partners

Equipment

Description	Comments	Award procedures	Investment	Unit type	No. of units	Price per unit	Total
Packing Machine			N/A		1,00	10.000,00	10.000,00
+							10.000,00

The Total amount of one budget item should always match the sum of amounts per periods. In case of mismatch a warning message highlighted in yellow appears.

Please update the budget table: The sum of the amounts per period must match the budget item total.

Partner lump sums (assigned in section E.1 - Project lump sums)

Programme lump sum	Period	Lump sum cost	Partner share of lump sum cost	Description
Total partner lump sums			0,00	

The lump sum for preparation cost should be in accordance with the Guidelines for applicants.

Partner budget overview

Partner	Organisation abbreviation	Staff costs	Office and administrative costs	Travel and accommodation	External expertise and services	Equipment	Infrastructure and works	Lump sum	Total
LP1	SME	0,00	0,00	0,00	0,00	0,00	0,00	0,00	0,00
Total		0,00	0,00	0,00	0,00	0,00	0,00	0,00	0,00

The table is filled in automatically.

Part B – Project partners

Co-financing

In this table you can define your co-financing. In order to see amounts, please, define your partner budget first in the section budget.

Source	Amount	Percentage
* Co-financing source	0,00	0,00 %
Partner contribution	100,00	100,00 %
Partner total eligible budget	100,00	100,00 %

This table can only be filled in once the partner budget options were selected and the partner budget was completed. This table displays the co-financing received by the programme and the partner contribution.

Origin of partner contribution

Source of contribution	Legal status of contribution	Amount	% of total partner budget
Demo SME	* Legal status	0,00	0,00 %
Sub-total public contribution		0,00	0,00 %
Sub-total automatic public contribution		0,00	0,00 %
Sub-total private contribution		0,00	0,00 %
Total		0,00	15,00 %

In this table, partners have to indicate the source of their contribution. The system by default includes the partner organisation as a first contribution source, assuming that the contribution is from own resources..

GBER scheme / de minimis
General de minimis

General de minimis provisions shall apply for the call.

C.1 Project overall objective

Please define the overall objective of the project (Max. 500 characters).

- Make sure that it clearly contributes to the selected programme specific objective.*
- The overall objective should provide the general context for what your project aims to achieve.*
- It should describe the broader goal of the project for the benefit of its target group(s) and should point to the results (change) to be achieved by the project.*

C.2 Project relevance and context

C.2.1 What are the common territorial challenge(s) that will be tackled by the project?

C.2.2 How does the project tackle identified common challenges and/or opportunities and what is new about the approach the project takes?

C.2.3 Why is cross-border/transnational/inter-regional cooperation needed to achieve the project's objectives and result?

C.2.4 Who will benefit from your project outputs?

C.2.5 How does the project contribute to wider strategies and policies?

C.2.6 Which synergies with past or current EU and other projects or initiatives will the project make use of?

C.2.7 How does your project build on available knowledge?

C.3 Project partnership

Describe the structure of your partnership and explain why these partners are needed to implement the project and to achieve project objectives. What is the contribution of each partner to the project?

C.4 Project work plan

Each project specific objective has a work plan (work package). Applicant can define more than one specific objective. This means that the project will have as many work packages as it will have specific objectives defined. It is recommended to have up to 3 work packages, but in some cases up to 5 should also be acceptable. Begin by clicking “+ Add new work package”

Work package

Work package title

Objectives

Your objectives should be:

- realistic and achievable by the end of the project;
- specific (who needs project outputs delivered in this work package, and in which territory);
- measurable – indicate the change you are aiming for.

Define one project specific objective that will be achieved when all activities in this work package are implemented and outputs delivered.

Project specific objective

Think about the communication objective that will contribute to the achievement of the specific objective. Communication objectives aim at changes in a target audience's behaviour, knowledge or belief.

Project privileges

The submission of applications follows a two-step approach. Each application requires a successful pre-submission check of content before it can be submitted.

Under the section “Check & Submit”, users with “edit” or “manage” privileges can perform these two actions:

- 1 Run pre-submission check
- 2 Submit project application

After submission the status of applications is changed from “Draft” to “Submitted”.
